02 September CME Drink (PSOR)

Birthdays in September

CME wishes the following students a happy birthday!

02 September Sebastiaan Staats
06 September Paul Bosch
07 September Farid Vahdati

The new academic year

The summer is almost over so the new academic year is starting. With this Newsflash we want to inform you about the activities of the CME Dispuut. Just like previous years, the CME Dispuut is the organization that supports the students by evaluating courses and organizing activities in combination with companies or on its own. By this we hope to increase your experience during the master CME.

The CME office is still the place where the students can relax, work, talk, discuss, watch soccer or drink a cup of coffee.

In order to make a good start we organize a CME drink on September 2nd in PSOR starting at 16.00. We hope to see you there!

Master information lecture

Monday 30th of August there is a general master information lecture at the faculty of Civil Engineering. All the future master students are attending the information lecture. If you are planning to start the Master CME, it is wise to attend this information lecture.

Main sponsors

Sub sponsors

The lecture starts at 12.00 in lecture room B and a lunch is included. After the lunch the CME students are welcome to come to the CME office (room 3.53) to meet their fellow CME students.

CME Dispuut soccer team

Every year there is a soccer competition for students on the Monday evening. The games will be played on a half soccer field, seven against seven and will take an hour.

This year there will be a CME Dispuut soccer team taking part in this competition.

Do you want to join the team and compete together with fellow CME students against other students, send us an e-mail (info@cmedispuut.nl) or drop by at the CME office (room 3.53).

Please let us know as soon as possible because before 6 September we have to sign in the CME Dispuut soccer team. The only requirement is the possession of a sports card which you can buy in the Sport Centrum.

CME Study tour 2010

The CME Dispuut proudly presents the 2nd CME study tour.

The study tour committee is organizing a trip to Barcelona during the first week of the second block of the 2010/2011 academic year (beginning of November). During this week cultural and educational interesting locations will be visited.

The aim of the trip is to get to know the CME students and to learn from the project visits. The costs of this trip are estimated at max 300 euro per person.

The committee will be attending the drink on September the 2nd, so if you have any questions, come to the drink and have a chat with the committee.

If you want to sign up already, please send an email to studytourcme@gmail.com.
